Garrett Stoken, will be working towards his Eagle Scout Award with the Boy Scouts of America. He has taken on the project of restoring the old bell which had been made and used at the foundry in West Easton, the Livingstone School and the Wesleyan Chapel. The bell will be restored, and displayed to the west side of the building, with pavers, and a pillar to support the display. There will be a container in the vestibule of the church towards donations to complete the project.

PAVER WALKWAY: Work has begun on the paver walkway around the chapel bell site this week. Completion of the project is slated for the end of the summer.

Christ our God is risen, granting to the world great mercy. Glory be to the Father, and to the Son, and to the Holy Spirit Now and for ever and ever. Amen.

Kontakion (4): My Savior and Deliverer from the grave, as God, has raised out of bondage the children of earth and shattered the gates of Hades; and as Master, He rose on the third day.

Prokimenon: How great are Your works, O Lord; You have made all things in wisdom. Verse: Bless the Lord, O my soul; O Lord my God, You are exceedingly great.

Authority of the Council - Authority of the Church

The authority of the Councils is based also on their ecclesiological grounding. A council is not an independent, autonomous body, additional, coming from outside, acting unilaterally. It is not the product of accidental circumstances in history and imposed afterwards. It is closely, or rather organically, related with the very essence of the Church. This body of Christ is a living organism, destined to grow, to face difficulties during this process, to be implanted in other regions of the world needing inculturalization and a certain adaptation.

Such embodiment and multifaceted ministry creates problems, tensions, even divisions and in spite of the good will of the local bish-

op and pastors, the convocation of a major assembly is considered as a natural instrument, salutary and indispensable.

The official voice of the catholicity and the koinonia of all the other sister churches, in harmony and guided by the Spirit, would only provide the new assessments, possible remedies and solutions. The functioning of such a council was such that the opinions and requests at issue found expression from the very womb of the Church. Once the decision was made, the people had a part in receiving it and publicizing it (Acts 15:22) as is seen in the first assembly of Jerusalem.
